## Deliveroo — Talent Acquisition

Re: Marketing Manager, Brand — Dubai

Dubai, 8 July 2026

Dear Hiring Team,

I am applying for the Marketing Manager, Brand role in Dubai, and few briefs have felt more like a natural fit. I work with Deliveroo every week from the brand side — integrating products, promotions and content across UAE quick-commerce — so I understand both the platform and the consumer behaviour behind it. The chance to build the Deliveroo brand itself, turning a beloved service into consistently great campaigns, is exactly the challenge I want.

As Brand & Marketing Manager at DoFreeze (Befit, Eurocake, Flair), I lead brand strategy, 360 campaigns and go-to-market across 50+ markets, own full-funnel media (Meta, Google, social, EDM) to ROI/ROAS targets, and scaled an influencer programme from zero to 25–50 creators per campaign driving real UGC and sell-out. Earlier, at Alibaba's Miravia, I grew 42 key accounts to +30% GMV QoQ and ran the Flash Sales channel to P&L targets, reporting to the CEO.

What sets me apart for this market: first-hand experience across Deliveroo, Noon, Talabat and Careem, FMCG foundations from Mondelez, and an AI-first way of working — I build generative-AI (Claude / Claude Code) automation for content, campaign planning and reporting that cut my manual workload ~40%. I am already in Dubai on a residence visa (zero relocation) and work fluently in English and Spanish.

I would welcome the chance to discuss how I can help grow the Deliveroo brand across the UAE. Thank you for your consideration.
