Delivery Hero — Talent Acquisition

Re: Manager, Marketing Campaign — Dubai

Dubai, 8 July 2026

Dear Hiring Team,

I am applying for the Manager, Marketing Campaign role in Dubai. Quick-commerce is the world I work in every day — I integrate brands into and market across Talabat, Careem, Noon and Deliveroo — so both the pace and the mechanics of campaigns in this space are second nature to me.

As Brand & Marketing Manager at DoFreeze (Befit, Eurocake, Flair), I plan and run 360 and full-funnel campaigns (Meta, Google, social, EDM) across 50+ markets, tracking traffic, spend, ROI and ROAS on a weekly scorecard and acting on the numbers. I scaled an influencer programme from zero to 25–50 creators per campaign driving UGC and sell-out, and led 6 NPD go-to-market launches. Earlier, at Alibaba's Miravia, I grew 42 key accounts to +30% GMV QoQ and ran the Flash Sales channel to P&L targets.

What I add: first-hand quick-commerce experience across the region's platforms, FMCG foundations from Mondelez, and an AI-first approach — I build generative-AI (Claude / Claude Code) automation for campaign planning, content and reporting that cut manual workload ~40%. I am already in Dubai on a residence visa (no relocation) and work fluently in English and Spanish.

I would welcome the chance to discuss how I can drive high-performing campaigns for Delivery Hero across the region. Thank you for your consideration.
