MTM Groups Trading — Talent Acquisition

Re: E-Commerce Manager, Dubai

Dubai, 8 July 2026

Dear Hiring Team,

I am applying for the E-Commerce Manager role in Dubai. Running an online business end-to-end — store, digital shelf, content, media and the numbers behind them — is exactly what I do today, and I would relish the chance to own and grow that for MTM Groups.

As Brand & Marketing Manager at DoFreeze (Befit, Eurocake, Flair), I manage the Shopify e-store end-to-end (catalogue, UX, collections, checkout) and own digital-shelf execution across the UAE's key e-commerce and quick-commerce retailers — Noon, Talabat, Careem and Deliveroo — lifting conversion and average order value through data-led merchandising. I plan full-funnel media (Meta, Google, social, EDM) on a weekly scorecard tracking traffic, ROI and ROAS. Earlier, at Alibaba's Miravia, I grew 42 key accounts to +30% GMV QoQ, giving me deep marketplace mechanics on one of the world's top-5 platforms.

What I add: FMCG foundations from Mondelez and an AI-first way of working — I build generative-AI (Claude / Claude Code) automation for content, campaign planning and KPI reporting that cut manual workload ~40%. I am already in Dubai on a residence visa (no relocation) and work fluently in English and Spanish.

I would welcome the chance to discuss how I can grow MTM Groups' online sales. Thank you for your consideration.
