Sunberry Fresh — Talent Acquisition

Re: Performance Marketing & Growth Manager — Dubai

Dubai, 8 July 2026

Dear Hiring Team,

I am applying for the Performance Marketing & Growth Manager role in Dubai. Growth marketing that is genuinely accountable to the numbers — spend, conversion, ROAS, CAC — is exactly how I work, and I would enjoy driving that engine for Sunberry Fresh.

As Brand & Marketing Manager at DoFreeze (Befit, Eurocake, Flair), I plan and optimise full-funnel paid media (Meta Ads, Google Ads, social, EDM) on a weekly KPI scorecard tracking traffic, spend, ROI and ROAS, and I own the Shopify e-store end-to-end — lifting conversion rate (CRO) and average order value through data-led merchandising and A/B testing. Earlier, at Alibaba's Miravia, I grew 42 key accounts to +30% GMV QoQ through conversion-led promotions and assortment.

What I add: hands-on UAE e-commerce and quick-commerce experience (Noon, Talabat, Careem, Deliveroo), and an AI-first approach that multiplies output — I build generative-AI (Claude / Claude Code) automation for creatives, campaign planning and analytics, plus AI video (Higgsfield, Hailuo) for social, cutting manual workload ~40%. I am already in Dubai on a residence visa (no relocation) and work fluently in English and Spanish.

I would welcome the chance to discuss how I can accelerate Sunberry Fresh's growth. Thank you for your consideration.
