ABOUT

I'm a Spanish brand & marketing manager based in Dubai, with 4+ years across Beauty, Fragrances, Fashion and FMCG — trained at Alibaba (Miravia), Glovo and Mondelez.

Today I lead Brand & Marketing for DoFreeze across 50+ markets: building AI-first marketing automation, running end-to-end NPD, and getting brands live and selling on UAE quick-commerce. Premium instincts, operator's discipline.

LIVE WORK — DOFREEZE

What I build & run right now

Live, in-market work I own end-to-end as Brand & Marketing Manager at DoFreeze — the e-commerce site, the creator affiliate programme and the email/CRM channel.

DoFreeze

E-COMMERCE SITE · BUILT IN
LOVABLE

The DoFreeze online store I design and run end-to-end — six brands (Eurocake, Befit, SMASH, Flair, Délice, EARTHLY), bundles, promos and same-day UAE delivery, connected to retail partners across Carrefour, Amazon.ae and Noon.

CREATOR AFFILIATE PROGRAMME

A creator affiliate programme I designed for Befit — unique codes, 8–10% tiered commission (Rising / Elite), an extra audience discount and product seeding, wired to a self-serve registration funnel.

NEWSLETTERS · LIFECYCLE

The DoFreeze email channel I plan, write and send — launch announcements, promotions and lifecycle newsletters that bring shoppers back across the brand portfolio.
