PROFESSIONAL SUMMARY

Commercial marketer who runs on measurement: buys and optimises retail media on talabat, Noon and Careem as an advertiser across 50+ markets, proves campaign impact with control groups and incrementality rather than platform-reported reach, and has audited agency reporting down to double-counted metrics. FMCG background, BI stack and AI-automated reporting.

WORK EXPERIENCE

Brand & Marketing Manager	Oct 2025 – Present
DoFreeze LLC · UAE FMCG group (Befit, SMASH, Eurocake) advertiser on talabat, Noon & Careem 50+ markets · Dubai, UAE	
- Plan, buy and optimise retail media and paid media across talabat, Noon, Careem, Meta and Google Ads, reading ROAS, conversion and incremental sell-out to reallocate budget mid-flight and flag under-delivering activity early - Built the team's measurement standard: SMASH × talabat measured against Befit as a control brand on the same platform and window — +165% daily revenue vs +4.7% control, ~AED 32K incremental on ~AED 8.7K spend; Befit × Noon, +4,176 incremental units, +31% over baseline - Audited an agency's campaign reporting — reach estimated from follower counts, the same creator double-counted across waves at 5× variance, 'unique accounts' summed from estimates — then rebuilt the KPI definitions and moved spend to cohorts outperforming campaign average 10–40× - Built AI-automated dashboards and reporting for campaign performance and KPI tracking across 50+ markets, cutting manual reporting ~40% and producing executive-ready summaries for leadership - Run post-campaign reviews and deep-dives with commercial, sales and platform partners, turning findings into prioritised action plans; lead a designer and a social media executive
