## PROFESSIONAL SUMMARY

Performance-minded marketer with 4+ years across e-commerce, FMCG and beauty. I run Meta and Google paid acquisition hands-on across 50+ markets — campaign architecture, creative A/B testing, daily CAC/ROAS optimisation — brief a creative team, and build Claude-powered AI into the workflow.

## WORK EXPERIENCE

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                     |
