Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Run promotional mechanics across UAE quick-commerce platforms (Deliveroo, Talabat, Noon, Careem) — building and deploying platform offers, bundles and discount campaigns, and optimising them against sell-out and margin
- Plan and optimise paid media on Meta and Google Ads with continuous creative A/B testing, analysing ROI/ROAS to find the most efficient spend and reallocate budget toward the best-performing offers
- Own and report A&P / trade budgets by channel, tracking spend against target and flagging when a campaign's ROI or margin impact drifts off plan
- Translate quarterly commercial priorities into targeted activation calendars across modern trade and quick-commerce, developing trade and shopper marketing plans by channel
- Built an AI-powered automation system (Claude / generative AI) for campaign planning, performance reporting and KPI dashboards — cutting manual reporting ~40% and speeding up test-and-learn cycles
