PROFESSIONAL SUMMARY

Commercial and category professional with 4+ years across FMCG, Beauty and e-commerce, currently in Dubai. Category & buying foundation from Mondelez (category planning: sell-in/sell-out, promotional effectiveness and range vs plan), scaled into hands-on vendor and account management — 42 accounts at Alibaba's Miravia grown +30% GMV QoQ through range, pricing and promotions, plus sourcing and onboarding 30+ vendors/distributors and negotiating commercial terms. At DoFreeze she integrates brands end-to-end into UAE quick-commerce including Deliveroo — managing range, listings, pricing, promotional mechanics and vendor-funded media — so she already knows the Deliveroo platform from the vendor side. Strong on negotiation, P&L, category performance vs plan, ROI/ROAS, BI (Power BI/Tableau/Looker) and expert spreadsheets (Excel/Gsheets). Already in Dubai on a residence visa.

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Source products and manage vendor/distributor relationships across modern trade and quick-commerce, negotiating terms and service levels and resolving listing, pricing and supply issues to keep ranges live and in stock
- Nominate SKUs for promotional campaigns and events, build channel/category promo calendars and drive vendor-funded on-platform media to lift product visibility and conversion

- Develop trade & shopper marketing plans by channel and category, supporting key-account strategy and NPd go-to-market across 50+ markets
- Built an AI-powered automation system (Claude/GPT) for category reporting, competitor/market tracking and KPI dashboards, cutting manual workload ~40% and speeding decisions
