PROFESSIONAL SUMMARY

Revenue-carrying commercial and marketing manager who builds long-term, trusted client relationships and grows them through consultative selling. Managed 42 key accounts to +30% GMV QoQ at Alibaba's Miravia — owning the Flash Sales channel P&L and reporting to the CEO — and closed strategic commercial deals across multi-brand clients at Glovo. Hands-on, biddable/self-serve digital-media practitioner: I plan and optimise Meta Ads (Facebook & Instagram) and Google Ads on the auction, run creative A/B tests, and read ROI/ROAS to grow performance — and I run creator-led social at scale (25–50 creators per campaign), TikTok's own world. A persuasive storyteller who builds client-ready sales decks and proposals, fluent across the full marketing funnel and in e-commerce/marketplace dynamics. Bilingual (ES/EN C1), AI-native, based in Dubai covering 50+ GCC/MENA markets.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Plan and optimise paid media on the self-serve auction — Meta Ads (Facebook & Instagram) and Google Ads — building audiences, running creative A/B tests and reading ROI/ROAS to drive continuous performance improvement across 50+ GCC/MENA markets
- Build and scale a creator-led social programme from zero — sourcing, briefing, negotiating and managing 25–50 creators per campaign plus UGC and seeding — the same creator-and-social storytelling that powers TikTok advertising
- Build client-ready sales decks, proposals and campaign landing pages (AI-assisted) that leverage market intelligence and insights to influence and persuade — cutting turnaround while raising quality
- Own trusted relationships across distributors, modern-trade partners and quick-commerce platforms — account planning, joint business plans and A&P budgets that identify whitespace and unlock incremental investment
- Analyse campaign and channel performance, translate it into actionable insights, and iterate — partnering cross-functionally with commercial, creative and trade teams to improve results
