PROFESSIONAL SUMMARY

Influencer, social and partnerships marketer with 4+ years driving creator-led growth across FMCG, Beauty and e-commerce — currently in Dubai. At DoFreeze I built the influencer programme from zero: end-to-end ownership of strategy, creator sourcing, briefing, negotiation, execution and reporting across mega, macro, micro and nano tiers, running 25–50 creators per campaign with sampling & seeding, UGC and measurable sell-out. At Alibaba's Miravia I created social-first destinations (Hot on Social, Beauty Club) and led strategic brand partnerships, onboarding 30+ brands while growing 42 accounts +30% GMV QoQ. Hands-on across UAE quick-commerce (noon, Talabat, Careem, Deliveroo) — the exact 15-minute grocery surface noon Minutes runs on — and data-driven on reach, engagement, CAC, ROI and ROAS. Already based in Dubai on a residence visa; bilingual Spanish/English (C1).

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Built and scaled the influencer marketing programme from zero — owning it end-to-end (strategy, creator sourcing, briefing, negotiation, contracts, execution, reporting and optimisation) across mega, macro, micro and nano tiers, running 25–50 creators per campaign to drive authentic UGC, brand awareness and measurable sell-out
- Develop and execute social-first campaigns across Instagram and TikTok aligned to product launches, promotions and cultural moments — spotting emerging trends and reacting fast with high-impact content and creator activations
- Run product sampling and seeding programmes with creators across modern trade and quick-commerce, converting creator content into on-platform demand, orders and sell-out
- Integrate and grow brands on UAE quick-commerce platforms — noon, Careem, Talabat and Deliveroo, the same 15-minute grocery q-commerce surface as noon Minutes — managing listings, promotional mechanics and retail execution to lift orders and basket size
- Negotiate commercial terms and manage creator, agency and A&P budgets, coordinating external agencies and creators to ensure seamless, consistently high-quality delivery
- Plan and optimise paid social on Meta (Instagram/Facebook) and Google Ads — audience building, creative A/B testing — analysing ROI, ROAS and acquisition cost to prioritise investment; built an AI-powered automation system (Claude/GPT) for campaign planning, content and KPI reporting, cutting manual workload ~40%
