PROFESSIONAL SUMMARY

AI-first growth and brand marketer with 4+ years turning high-level strategy into hands-on execution across fast-scaling, digital-first businesses (Alibaba's Miravia, Glovo, DoFreeze). Builds and runs marketing automation with LLMs (Claude, GPT) to multiply output as a solo operator — content, campaigns, research, social, paid and analytics — while managing B2B accounts end-to-end (42 key accounts, +30% GMV QoQ). Comfortable owning the full motion from positioning and copy to reporting with minimal handholding, and partnering directly with founders and senior leadership. Dubai-based, open to 20–30% regional and international travel.

PROFESSIONAL EXPERIENCE

Brand & Marketing Manager · DoFreeze LLC Oct 2025 – Present · Dubai, UAE
Global consumer-goods company · Brands: Befit, Eurocake, Flair · 50+ markets across GCC, MENA, Europe, Asia, USA & Africa

- Built an AI-powered marketing automation system (Claude / generative AI) that plans campaigns, produces content, runs market research and builds client-ready pitch decks and landing pages — cutting manual workload ~40% and multiplying output as a solo operator.
- Own brand positioning, content and go-to-market across 50+ markets — turning high-level direction into concrete plans, campaigns and finished marketing assets with minimal handholding.
- Run the full content & demand motion: social, influencer/UGC (25–50 creators per campaign), paid media (Meta, Google) and EDM — driving awareness and measurable organic inbound.
- Direct external agencies, freelancers and media partners on production, and track ROI, ROAS and channel performance for the founding team and senior leadership.
