PROFESSIONAL SUMMARY

Performance-and-e-commerce marketer who runs paid campaigns hands-on and grows advertisers as a consultative partner — exactly the Client Solutions craft this role needs. I plan, launch and optimise campaigns on the self-serve auction (Meta Ads — Facebook & Instagram — and Google Ads), building audiences, A/B-testing creative and reading ROI/ROAS against sales goals, with pixel-based conversion tracking and Google Analytics on the web side. My home turf is Retail & E-commerce: I managed 42 key accounts to +30% GMV QoQ at Alibaba's Miravia, run a Shopify store end-to-end (CRO), and onboarded brands across UAE quick-commerce (Noon, Talabat, Careem, Deliveroo). I grow post-sale relationships through regular business reviews, optimisation and product adoption, and I pair paid with creator-led social at scale (25–50 creators per campaign) — TikTok's native, TikTok-Shop-adjacent world. Bilingual (ES native / EN C1), AI-native, based in Dubai covering 50+ GCC/MENA markets.
