PROFESSIONAL SUMMARY

Commercial and key account professional with 4+ years driving sales, client relationships and category growth across Beauty, Fragrances, FMCG and E-Commerce — with genuine fine-fragrance depth. At Alibaba's Miravia I owned 42 key accounts (+30% GMV growth QoQ) and led the Fragrances category as PIC, onboarding the official distributors of the leading Arabian & oud houses (Arabian Oud, Lattafa, Swiss Arabian, Ajmal) — building real fluency in the Middle East fine-fragrance market. Today at DoFreeze I drive sales and develop distribution channels across 50+ markets, owning distributor networks, tailored commercial proposals, sales forecasting and pipeline management. Strong in relationship building, competitive positioning and end-to-end project management. Business Administration graduate, fluent English, already based in Dubai — with a real passion for fragrance.
