PROFESSIONAL SUMMARY

Category and commercial manager with ~5 years across e-commerce and q-commerce marketplaces (Alibaba's Miravia, Glovo) and FMCG (Mondelez). I own the commercial levers of a category — assortment, pricing, promotions and seller partnerships — growing 42 accounts +30% GMV QoQ against P&L targets and onboarding 30+ sellers in two months. Direct Home-category experience running Miravia's Beauty, Fashion & Home Flash Sales channel, on top of category-planning foundations at Mondelez (AOP, sell-in/sell-out, NPD). Comfortable across marketplace (3P) and retail (1P) models, rigorous with large data sets in Excel, and fluent in noon and the UAE's quick-commerce platforms from my current Dubai role. Already based in Dubai on a residence visa.
