PROFESSIONAL SUMMARY

Dubai-based brand, e-commerce and DTC-localization marketer with five years of experience (since 2021) across e-commerce, retail, FMCG, beauty and fashion. I localize brands for the GCC market end-to-end: I run DTC/e-commerce stores on Shopify, audit and improve user journeys and conversion (CRO) from a local-consumer perspective, and adapt brand communications, visuals and campaigns to local consumers and the region's key commercial and religious calendar moments (Ramadan, Eid, DSF, White Friday). I know the GCC e-commerce ecosystem first-hand — quick-commerce (Noon, Talabat, Careem, Deliveroo), payments and logistics — and I produce market-intelligence and competitor reporting for leadership. Distinctively for this role, I've worked inside a Chinese-owned global group (Alibaba's Miravia), so cross-cultural collaboration with China teams is familiar terrain, and I coordinate Arabic-language content and creators through native partners in-market. Trained in premium lifestyle retail at Inditex (Massimo Dutti). Spanish native, English C1; Business Administration graduate (CUNEF).
