PROFESSIONAL SUMMARY

Business-development and marketplace-partnerships manager with five years across top e-commerce platforms and consumer brands, now building brand and vendor partnerships across UAE marketplaces from Dubai. I recruit, onboard and grow merchant partners: at Alibaba's Miravia I onboarded 30+ new vendors/brands in two months and grew 42 accounts +30% GMV QoQ, and at Glovo I helped build the Retail vertical from 0-to-1, taking new brands onto the platform. I guide partners on what makes them succeed on a marketplace — market positioning, product and assortment planning, brand marketing and operational strategy — and I run the data behind it: industry analysis, trend-spotting and benchmarking in Excel and Power BI. Trained inside a Chinese-owned marketplace (Alibaba), fluent in the platform-operations playbook, resourceful and comfortable under pressure. Business Administration graduate (CUNEF), based in Dubai.
