PROFESSIONAL SUMMARY

Commercial and account management professional with 4+ years growing high-value partner portfolios on quick-commerce and food-delivery platforms in the GCC and Europe. I started as an Account Manager at Glovo, managing strategic restaurant chains (KFC, Taco Bell, La Tagliatella, Sushi Shop) on a food-delivery marketplace, then ran a 42-account portfolio at Alibaba's Miravia to +30% GMV QoQ. Today at DoFreeze I integrate brands into Deliveroo, Noon, talabat and Careem and partner daily with Marketing and Operations. I am very data-conversant — I turn sell-in/sell-out, ROI and conversion data into growth stories partners act on — organised, relationship-driven, and energised by fast-moving environments. Already in Dubai on a UAE residence visa; bilingual Spanish/English.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Manage brand growth on the UAE's food-delivery and quick-commerce platforms — Deliveroo, Noon, talabat and Careem — owning listings, promotional mechanics and retail execution to drive orders, conversion and sell-out
- Act as the commercial bridge to platform and modern-trade partners, negotiating promotions and joint activations that grow volume and profitability for both sides
- Work cross-functionally with Marketing and Operations to launch new projects end-to-end — campaigns, activations and go-to-market across 50+ GCC/MENA and international markets
- Own the A&P budget and track partner and channel performance (ROI, ROAS, conversion, sell-out) against targets, using an AI (Claude/GPT) reporting system that cuts manual reporting ~40% and speeds decisions
- Manage distributor and key-account relationships across channels, building the trust and cadence that keep partners engaged in a constantly evolving market

Key Account Manager – Beauty, Fragrances & Fashion

Nov 2023 – Oct 2025

Miravia / AliExpress (Alibaba Group) · Top 5 global e-commerce marketplace | 100K+ employees · Madrid, Spain

- Managed a portfolio of 42 key accounts, achieving +30% GMV growth QoQ through data-led pricing, assortment and promotional strategy — consulting partners on how to grow, not just servicing them
- Owned the Flash Sales channel and reported performance directly to the CEO, translating traffic, conversion, retention and ROI data into clear growth stories and commercial plans
- Onboarded 30+ new partner accounts in two months as category lead, using data and trend insight to prioritise the highest-potential relationships
- Analysed account and channel performance continuously to sharpen forecasting accuracy and defend profitability across the portfolio

Account Manager – XL Accounts

Sep 2022 – Nov 2023

Glovo · Quick-commerce & food-delivery leader | €500M+ revenue | 10K+ employees · Madrid, Spain

- Acted as a data-driven consultant to partners, using order, performance and marketing data to build bespoke activations and growth plans that lifted order volume, GMV and profitability
- Negotiated and closed high-impact commercial deals, maximising profitability for both Glovo and its restaurant partners
- Worked cross-functionally with marketing, logistics/operations and customer support to deliver seamless campaigns, while helping build out Glovo's new Retail vertical

Trainee – Category & Commercial Planning

Aug 2021 – Aug 2022

Mondelez International · Global FMCG | €36B annual revenue | 90K+ employees · Madrid, Spain
