PROFESSIONAL SUMMARY

Category and commercial manager with 4+ years across consumer goods and quick-commerce — FMCG, Beauty, Fragrances and Fashion — building category strategy, assortment and promotional plans, negotiating commercial terms and turning data into working plans across Dubai and 50+ markets. Category is my lineage: Category Planning at Mondelez (sell-in/sell-out, promotional effectiveness, turnover) and category expansion as PIC Fragrances at Alibaba's Miravia (+30% GMV QoQ across 42 accounts against P&L targets through pricing, assortment and promotions). I'm a hands-on quick-commerce and e-commerce operator — built out Glovo's retail vertical, ran category on Alibaba's Miravia, and integrate brands into Noon, Talabat, Careem and Deliveroo today at DoFreeze — coordinating cross-functionally with supply, logistics and marketing. Strong in negotiation, data analysis, forecasting and business acumen, Dubai-based with an Alibaba e-commerce grounding, native Spanish and business English (C1), plus an early-adopter edge in generative AI (Claude/GPT) for market research and category insight.
