PROFESSIONAL SUMMARY

Campaign and commercial marketer with 4+ years across FMCG, marketplaces and quick-commerce in the GCC, who plans, executes and tracks promotional activations with retail partners end-to-end. Currently lead Brand & Marketing at DoFreeze in Dubai, where I run promotions on the UAE's q-commerce platforms — talabat, Noon, Careem and Deliveroo — owning deals, discounts, in-app merchandising (banners, placements, category visibility), campaign auditing and cross-functional delivery with creative, CRM, performance and digital teams. Data-driven and hands-on in Excel, PowerPoint and reporting dashboards, tracking ROI, ROAS and conversion to refine campaign goals. Marketplace-native — I owned Flash Sales and 42 partner accounts at Miravia and ran key-account activations at Glovo. Already in Dubai on a residence visa.
