PROFESSIONAL SUMMARY

Category, commercial and beauty-retail professional with 4+ years across Beauty, Fragrances, Fashion and FMCG. At Alibaba's Miravia I owned the Beauty & Fragrances category across 42 accounts, growing GMV +30% QoQ through assortment optimisation, pricing, margin management and a data-led promotional calendar — and, as PIC Fragrances, identified, onboarded and negotiated terms with 30+ new brands/stores in two months. Today at DoFreeze I run assortment, pricing, distributor negotiation and an end-to-end Shopify e-commerce store across the UAE and 50+ markets, with category-planning grounding at Mondelez (sell-in/sell-out, Nielsen, promo effectiveness, assortment-gap analysis). Fluent English, already based in Dubai on a UAE residence visa, and comfortable turning sales and margin data into category decisions.
