PROFESSIONAL SUMMARY

Brand & marketing manager with 4+ years building and launching brands across Beauty, Fragrances, Fashion and FMCG — now leading Brand & Marketing for DoFreeze across 50+ markets from Dubai. I take products from concept to market: end-to-end NPD for 6 launches, breakthrough 360° campaigns spanning digital, social, PR, influencer, experiential and e-commerce, and an influencer programme I built from zero to 25–50 creators per campaign with sampling & seeding. My commercial grounding is in fragrance and prestige beauty — at Alibaba's Miravia I owned the Beauty & Fragrances category across 42 accounts (+30% GMV QoQ) and onboarded the official distributors of leading Arabian & oud houses (Arabian Oud, Lattafa, Swiss Arabian, Ajmal), building genuine fluency in the premium fragrance landscape and consumer behaviour. Strategic and hands-on in equal measure, AI-first and data-led, and already based in Dubai on a UAE residence visa.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Lead 360° marketing strategy and execution across the brand portfolio — building integrated launch campaigns that span digital, social, PR, influencer, experiential and e-commerce to build brand equity, drive consumer desire and achieve commercial objectives
- Own end-to-end NPD for 6 product launches from concept positioning and creative brief through global go-to-market — defining messaging hierarchy and key selling points and building the launch toolkit (packaging, campaign messaging, retailer and e-commerce assets) across GCC, MENA, Asia, Europe, USA and Africa
- Built the influencer programme from zero — sourcing, briefing and managing 25–50 creators per campaign with influencer guidelines, product seeding and sampling programmes across modern trade and quick-commerce, driving UGC, social-first storytelling and measurable sell-out
- Own creative briefing and campaign development end-to-end, partnering with creative and product teams so every asset reflects the brand vision — paid media, e-commerce content, retailer assets and education/sampling materials
- Build annual launch calendars and integrated marketing plans and run the brand's Shopify store end-to-end; analyse market trends, competitors, cultural shifts and post-launch performance to sharpen future launches and marketing investment

- Created and led the Beauty Club and Hot on Social projects — social-first storytelling and brand moments that lifted visibility, desire and loyalty and positioned Miravia as a beauty and fragrance destination
- Owned the Flash Sales channel for Beauty, Fashion & Home, reporting directly to the CEO against P&L targets; analysed market trends, competitors and new launches to identify whitespace and strengthen go-to-market
