PROFESSIONAL SUMMARY

Consumer marketer in Dubai with 5 years across FMCG, marketplaces and quick-commerce (Mondelez, Alibaba, Glovo). Built a creator-commerce engine from zero for a multi-brand food group, measures it on incremental sales against control groups, and runs it on AI workflows built hands-on.

DoFreeze LLC · UAE F&B / FMCG group Befit, Eurocake (incl. SMASH), Flair sold in 50+ markets · Dubai, UAE	
• Built the creator programme from zero: year-round campaigns on seasonal peaks (Fitness Month, New Year, Ramadan, back to school) for Befit and the SMASH launch, each driving purchase on talabat, Noon, Careem or our Shopify store, at AED 81 per content piece • Measure on incremental sales, not reach: SMASH × talabat lifted daily sales +165% vs +4.7% for a no-creator control brand; Befit × Noon added 4,176 incremental units (+31% over baseline). Audited agency reports (follower-based reach, double counting) • Hands-on AI: built a Claude system for planning, content and reporting (~40% less manual work), and launched Befit's affiliate programme (commission on sales, no agency) on an AI-agent-built landing page and a multilingual AI avatar briefing creators • Lead a team of two (designer + social media executive); ran selection across four creator agencies, negotiated 30% off (103 creators delivered vs 75 contracted); added a talabat purchase-to-win giveaway and running, padel and yoga communities
