NARRATIVE ANSWERS

Q: Why are you interested in this role?

Henkel's leadership in Modern Trade across the GCC and its Perfect Store ambition map directly to what I do every day. As Brand & Marketing Manager at a Dubai-based FMCG distributor operating in 50+ markets, I build trade and shopper plans by channel and would love to bring that hands-on GCC experience to Henkel's portfolio.

Q: What makes you a good fit?

I develop trade and shopper marketing plans by channel and turn them into customer plans with the sales team. At Alibaba's Miravia I managed 42 key accounts and grew GMV +30% QoQ through pricing, assortment and promotions, and led category expansion as PIC Fragrances (30+ stores in two months). At DoFreeze I run A&P

budgets to ROI and lead NPD go-to-market end-to-end across six launches — exactly the trade, shopper and category remit of this role.

Q: Describe your greatest professional achievement

Growing GMV +30% quarter-over-quarter across 42 key accounts at Miravia (Alibaba) by rebuilding pricing, assortment and promotional strategy — while simultaneously leading the Fragrances category expansion that onboarded 30+ new stores in two months.

Q: What are your salary expectations?

AED 22,000 - 28,000 per month

Q: When can you start?

Available to start within 30 days
