NARRATIVE ANSWERS

Q: Why are you interested in this role?

I'm excited about AWPRO's comprehensive approach to brand management across retail, wholesale, e-commerce, and export channels, which perfectly aligns with my experience managing multi-market strategies across 50+ countries at DoFreeze. Your focus on OEM/ODM manufacturing and white-label strategies presents an excellent opportunity to leverage my NPD experience while expanding into supply chain optimization. The role's emphasis on export growth across GCC, Africa, and CIS markets is particularly appealing given my proven track record of driving +30% GMV growth across diverse international markets.

Q: What makes you a good fit?

My experience perfectly matches AWPRO's needs for end-to-end brand management and revenue growth. I've successfully managed full product lifecycles with 6 NPD launches across 50+ countries, delivered +30% GMV growth QoQ while managing 42 key accounts, and have hands-on experience with e-commerce platforms and export markets across GCC, MENA, Asia, Europe, and Africa. My proven ability to manage P&L, pricing strategies, and go-to-market execution across multiple sales channels directly translates to driving brand revenue growth in both UAE domestic and export territories.

Q: Describe your greatest professional achievement

Leading 6 end-to-end NPD launches across 50+ countries at DoFreeze while simultaneously achieving +30% GMV growth QoQ in my previous role managing 42 key accounts at Alibaba Group. This dual achievement demonstrates my ability to balance strategic product development with commercial execution, successfully scaling from concept to market across diverse territories. The launches required coordinating with multiple stakeholders, managing complex go-to-market strategies, and ensuring consistent brand positioning across varied cultural markets.

Q: What are your salary expectations?

22,000 - 28,000 AED per month

Q: When can you start?

Available to start within 30 days

ADDITIONAL Q&A

Q: How did you hear about this position?

A: I discovered this Brand Manager opportunity through Indeed while actively seeking roles that combine brand strategy, product management, and export market development in Dubai's dynamic FMCG sector.

Q: Are you legally authorized to work in the UAE?

A: Yes, I am legally authorized to work in the UAE and hold a valid UAE residence visa.

Q: Do you require visa sponsorship now or in the future?

A: No, I do not require visa sponsorship as I currently hold a UAE residence visa and am legally authorized to work in the UAE.

Q: Do you have experience in this industry?

A: Yes, I have 4+ years of experience in FMCG, Beauty, and consumer goods industries. My current role at DoFreeze involves managing brands across food categories, and my previous experience at Alibaba Group focused on Beauty & Fragrances, giving me comprehensive exposure to product lifecycle management, brand positioning, and multi-channel distribution strategies.

Q: Describe your experience with export markets and international business development.

A: I have extensive experience managing brands across 50+ countries including GCC, MENA, Asia, Europe, USA, and Africa. At DoFreeze, I've coordinated multi-market strategies and go-to-market execution across diverse territories, while my previous role at Alibaba involved managing key accounts across international markets, achieving +30% GMV growth QoQ through strategic market analysis and localized approaches.

Q: How do you approach product lifecycle management and NPD?

A: I take a data-driven, end-to-end approach to NPD and product lifecycle management. At DoFreeze, I've

successfully launched 6 new products from concept to market across 50+ countries, managing everything from initial ideation and positioning to launch execution and post-launch optimization. This involves cross-functional collaboration, market analysis, pricing strategy development, and coordinating with multiple stakeholders to ensure successful market entry.

Q: What is your experience with P&L management and pricing strategy?

A: I have hands-on experience managing P&L and developing pricing strategies across multiple markets and channels. My role involves managing A&P budgets, optimizing pricing for different market segments, and ensuring margin targets are met while maintaining competitive positioning. At Alibaba, I successfully balanced revenue growth with profitability, achieving +30% GMV growth while maintaining healthy margins across 42 key accounts.

Q: Describe your experience with e-commerce and digital channels.

A: I have comprehensive e-commerce experience across various platforms and business models. I've successfully integrated brands into UAE quick-commerce platforms including Noon, Talabat, Careem, and Deliveroo, and have deep experience with marketplace management from my time at Alibaba Group managing AliExpress and Miravia. This includes digital marketing execution, online channel optimization, and omnichannel strategy development to maximize digital presence and sales performance.
