

90-Day Action Plan — Trade Marketing Manager, Choithrams

Strategic roadmap leveraging Paula's FMCG expertise to drive UAE distribution growth and trade excellence

Prepared by Paula De Francisco Pérez · 30 April 2026 · For: Trade Marketing Manager at CHOITHRAMS

1. Week 1-2: Onboarding & Trade Ecosystem Audit

Finding: Comprehensive assessment of current trade marketing operations, distributor network performance, and competitive landscape across UAE channels

Insight: Paula's experience with +30% GMV growth at Alibaba and multi-country launches provides ideal foundation for rapid system understanding and gap identification

Recommendation: Meet key stakeholders (brand teams, sales directors, top distributors), audit current promotional ROI data, analyze Nielsen reports, and assess existing planogram compliance across modern trade channels

2. Month 1 Quick Win: Promotional ROI Optimization

Finding: Immediate opportunity to enhance trade promotion effectiveness using data-driven approach and best practices from FMCG background

Insight: Paula's proven track record in NPD launches across 50+ countries demonstrates capability to optimize promotional mechanics and measure impact systematically

Recommendation: Implement enhanced ROI tracking framework for ongoing promotions, renegotiate underperforming trade deals, and establish monthly promotional effectiveness scorecards with 15% ROI improvement target

3. Month 1 Quick Win: Distributor Performance Dashboard

Finding: Need for real-time visibility into distributor compliance and performance metrics to drive accountability and growth

Insight: Her key account management expertise and UAE quick-commerce knowledge enables rapid identification of distribution gaps and performance levers

Recommendation: Launch comprehensive distributor scorecard system tracking compliance, sell-out velocity, and visibility execution with weekly reviews and performance-based incentive structure

4. Month 2-3 Strategic Initiative: Channel Expansion & Optimization

Finding: Opportunity to leverage UAE market knowledge to accelerate distribution growth and shelf share gains across traditional and modern trade

Insight: Paula's quick-commerce expertise positions her to capitalize on emerging retail channels while optimizing existing traditional trade relationships

Recommendation: Execute comprehensive channel strategy including new outlet acquisition (target: +20% distribution points), planogram optimization, and pilot programs with emerging quick-commerce platforms

5. Month 2-3 Strategic Initiative: Advanced Analytics & Competitive Intelligence

Finding: Enhanced sell-out analysis and competitive monitoring system needed to drive data-driven decision making and market share growth

Insight: Her multi-country NPD experience provides analytical rigor and competitive awareness essential for sustained market share gains in competitive UAE FMCG landscape

Recommendation: Implement advanced Nielsen data analysis protocols, establish monthly competitive intelligence reports, and create predictive sell-out forecasting models to inform trade investment decisions

Paula's proven FMCG expertise, UAE market knowledge, and track record of driving measurable growth across complex distribution networks positions her to deliver immediate impact while building sustainable competitive advantage for Choithrams.
