NARRATIVE ANSWERS

Q: Why are you interested in this role?

I'm excited about Deliveroo's mission to transform how people shop and eat, particularly your expansion into HOP darkstores and retail verticals. Having successfully integrated brands into UAE quick-commerce platforms including Deliveroo during my current role, I understand the unique challenges and opportunities in this space. Your focus on data-driven, test-and-learn marketing approaches aligns perfectly with my experience driving +30% GMV growth through strategic campaign optimization and cross-functional collaboration.

Q: What makes you a good fit?

My proven track record in managing multi-market marketing strategies across 50+ countries, combined with hands-on experience in UAE quick-commerce platforms including Deliveroo, makes me uniquely positioned for this role.

I've successfully driven +30% GMV growth QoQ while managing 42 key accounts, and led 6 NPD launches end-to-end with integrated go-to-market planning. My commercial acumen in balancing strategic thinking with hands-on execution, plus experience in promotional campaigns and ROI optimization, directly aligns with your requirements for driving measurable business growth.

Q: Describe your greatest professional achievement

Leading the end-to-end launch of 6 new product developments across 50+ countries while simultaneously driving +30% GMV growth QoQ in my key accounts portfolio. This involved developing comprehensive go-to-market strategies, coordinating cross-functional teams across multiple markets, and implementing data-driven campaign optimizations. The success demonstrated my ability to balance strategic planning with execution excellence, delivering both immediate commercial impact and long-term brand growth.

Q: What are your salary expectations?

22,000 - 28,000 AED per month

Q: When can you start?

Available to start within 30 days

ADDITIONAL Q&A

Q: How did you hear about this position?

A: I discovered this position through online job portals while actively seeking marketing leadership opportunities with innovative companies in Dubai's quick-commerce and retail sectors.

Q: Are you legally authorized to work in the UAE?

A: Yes, I am legally authorized to work in the UAE and hold a valid UAE residence visa.

Q: Do you require visa sponsorship now or in the future?

A: No, I do not require visa sponsorship as I currently hold a UAE residence visa and am legally authorized to work in the country.

Q: Do you have experience in this industry?

A: Yes, I have extensive experience in quick-commerce and retail marketing, having successfully integrated multiple brands into UAE platforms including Deliveroo, Noon, Talabat, and Careem. I've managed end-to-end marketing strategies across FMCG, beauty, and e-commerce sectors with proven results in driving growth and ROI optimization.

Q: What experience do you have with cross-functional collaboration?

A: I have strong experience leading cross-functional initiatives, coordinating between commercial, marketing, and operational teams across 50+ countries. At Alibaba, I managed stakeholder relationships across multiple departments while driving +30% GMV growth, and currently lead integrated go-to-market planning requiring alignment between brand, sales, and distribution teams.

Q: How do you approach campaign ROI optimization?

A: I take a data-driven approach to ROI optimization, conducting thorough post-campaign analysis and implementing strategic iterations based on performance metrics. My experience includes scaling influencer programs from zero to 25-50 creators per campaign while maintaining strong ROI, and consistently optimizing

promotional strategies that contributed to +30% GMV growth QoQ.

Q: Describe your experience with promotional and seasonal campaigns.

A: I have extensive experience planning and executing promotional campaigns across multiple markets and seasons. This includes managing A&P budgets, coordinating seasonal product launches across 50+ countries, and developing value-focused campaigns that increase customer frequency. My approach combines market insights with performance data to drive both immediate sales impact and long-term brand growth.

Q: How do you handle working in fast-paced, constantly changing environments?

A: I thrive in dynamic environments, as demonstrated by my success managing multiple NPD launches simultaneously while driving significant GMV growth. My approach involves maintaining clear priorities, leveraging data for quick decision-making, and building strong cross-functional relationships that enable rapid execution. I'm naturally proactive in identifying opportunities and implementing solutions efficiently.
