PROFESSIONAL SUMMARY

Hands-on growth marketer who builds channels from zero and tests them against a control. At DoFreeze: an influencer channel to 103 creator activations, an affiliate programme, communities and Meta Advantage+, all judged on incremental sales. Before that, worked the supply side of two marketplaces: 30+ new sellers and 42 brands at Alibaba's Miravia, XL accounts at Glovo.

WORK EXPERIENCE

Brand & Marketing Manager — Oct 2025 – Present

DoFreeze LLC · UAE F&B / FMCG group | 7 brands incl. Befit, Eurocake, SMASH | sold on talabat, Noon, Careem · Dubai, UAE

- Built channels from zero: influencer programme to 103 creator activations over 3 waves at AED 81 per content piece; Befit Crew affiliate programme (personal codes, tiered commissions); running, padel and yoga communities
- Tests that settle arguments: the SMASH x talabat giveaway lifted daily sales +165% vs +4.7% for a control brand; weekly creative-hook tests; a giveaway added followers at AED 0.73 each, 8x cheaper than a promoted reel
- Scale or stop on unit economics: computed break-even ROAS per brand and channel net of marketplace fees and moved Google spend to Meta; built an Advantage+ retargeting campaign at 3.7x ROAS in week one
- Conversion, not just traffic: web orders +86% and revenue +57% (Q1 vs Jun–Aug 2026) after reviews, bundles rebuilt from basket analysis and a 30-day replenishment flow; segmented a 16K email base
- Build it hands-on: a Claude-based system automating campaign planning, content and KPI reporting (~40% less manual work), landing pages built with AI agents; brief a designer and a social media exec
