PROFESSIONAL SUMMARY

Beauty and quick-commerce builder who thinks like a category manager as much as a product owner. 4+ years launching and scaling brand-led, discovery-heavy shopping experiences across e-commerce, marketplace and q-commerce — including a genuine 0→1 new vertical (Glovo Retail) and beauty & fragrances category ownership at Alibaba's Miravia (42 accounts, +30% GMV QoQ). Today at DoFreeze I own a Shopify shopping experience end-to-end — how shoppers discover, evaluate and re-buy — and run the UAE quick-commerce shelf on talabat, Noon, Careem and Deliveroo. AI-native builder who designs and vibe-codes generative-AI tooling (Claude/GPT) and raises the team's AI literacy.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC • Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries • Dubai, UAE

- Own the brand's Shopify shopping experience end-to-end — catalogue, UX, collections, merchandising, discount mechanics and checkout — shaping how shoppers discover, evaluate and re-buy, and lifting conversion (CRO) and average order value through continuous, data-led iteration
- AI-native builder: designed and vibe-coded a generative-AI system (Claude/GPT) that prototypes campaigns, market research, content and KPI reporting — cutting manual workload ~40% and raising the team's AI literacy
- Run the UAE quick-commerce shelf across talabat, Noon, Careem and Deliveroo — assortment, hero-product selection, content and promotional mechanics — the exact q-commerce discovery-and-merchandising surface this venture owns
- Lead NPD end-to-end for 6 launches (problem framing, brief, packaging, pricing, go-to-market) across GCC, MENA and beyond — validating solutions and shipping to market under ambiguity
- Partner across commercial, brand, trade and creative to define go-to-market and shopper-mission plans by channel — influencing partner teams without owning them

Key Account Manager – Beauty, Fragrances & Fashion

Nov 2023 – Oct 2025

Miravia / AliExpress (Alibaba Group) • Top 5 global e-commerce | 100K+ employees • Madrid, Spain

- Owned the Beauty & Fragrances category across 42 key accounts, growing GMV +30% QoQ through assortment, hero-product curation, pricing and seasonal promotions — category-manager thinking on a content- and discovery-heavy marketplace
- Created and launched Beauty Club and Hot on Social from 0→1 — brand-led, content-heavy destinations that lifted discovery, loyalty and re-purchase on platform
- Led category expansion as PIC Fragrances, onboarding 30+ beauty & fragrance houses (Arabian Oud, Lattaifa, Swiss Arabian, Ajmal) in two months via trend-driven assortment
- Analysed conversion, traffic, retention and ROI to de-risk decisions and shape the channel roadmap — forming opinions with incomplete data and revising them on evidence

Account Manager – XL Accounts

Sep 2022 – Nov 2023

Glovo • Quick-commerce leader | €500M+ revenue | 10K+ employees • Madrid, Spain

- Helped build Glovo's Retail vertical from the ground up — a genuine 0→1 new vertical taking a food-delivery platform into beauty, apparel and non-food q-commerce, the same shape as talabat Beauty: a new vertical inside a scaled platform
- Onboarded and scaled new lifestyle and beauty partners, defining assortment and merchandising for a category that behaved nothing like food
- Led cross-functional squads across marketing, logistics and CX to ship activations and grow order volume
- Negotiated high-impact commercial deals maximising profitability for platform and partners

Trainee – Category Planning
Aug 2021 – Aug 2022

Mondelez International · Global FMCG | €36B annual revenue | 90K+ employees · Madrid, Spain

- Category planning for chocolate — sell-in/sell-out analysis, promotional effectiveness and shopper insight to surface growth opportunities
