PROFESSIONAL SUMMARY

Brand marketer who builds and runs integrated campaigns end-to-end — from consumer insight and brand positioning to messaging, creative and full execution — for consumer-tech platforms, marketplaces and lifestyle brands. Currently lead Brand & Marketing at DoFreeze in Dubai: I define positioning, tone and the campaign calendar, direct designers, agencies, photographers, production teams and 25–50 creators per campaign, run on-ground activations and launches timed to UAE cultural moments, and own the budget, production and timelines. Platform-native — I helped launch Glovo's Retail vertical and ran its dining/hospitality accounts, and built brand campaigns on Alibaba's Miravia marketplace. Deep read on the UAE consumer, AI-native, and already in Dubai on a residence visa.

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Lead brand campaigns end-to-end for DoFreeze's consumer brands — from strategy and consumer insight through creative, messaging and tone of voice to full execution — building awareness and engagement across the UAE and 50+ GCC/MENA markets
- Define brand positioning, messaging and the campaign calendar, then bring it to life with designers, creative agencies, photographers, production teams and 25–50 creators/influencers per campaign — directing the work to a high creative standard
- Plan and run integrated campaigns across paid social (Meta, Google), influencer, CRM/EDM, content and in-store to drive brand awareness, growth and engagement — tracking KPIs (ROI, ROAS, sell-out) with an AI (Claude/GPT) system that cuts reporting workload ~40%
- Execute on-ground activations, product launches and sampling/seeding across modern trade and quick-commerce — timing them to UAE cultural moments (Ramadan, Eid, National Days) to maximise reach and relevance
- Own campaign budgets, production and timelines end-to-end, managing vendor and agency partnerships so every campaign lands on time, on budget and on brand
- Lead go-to-market for 6 new-product launches (brief → packaging → pricing → launch), crafting each brand's story for the UAE consumer
