PROFESSIONAL SUMMARY

Hands-on growth and digital marketing manager with 4+ years across FMCG, e-commerce and GCC quick-commerce — I build and execute campaigns end-to-end myself, not brief agencies. I own performance media (Meta & Google Ads), the email/EDM engine, content and A/B testing, powered by a generative-AI automation stack (Claude) that cut campaign turnaround ~40%. Track record of +30% GMV growth QoQ across 42 key accounts and full-funnel optimisation on CAC, conversion, activation and retention. Deep GCC/MENA experience (Noon, Talabat, Careem, Deliveroo); thrives in fast, ambiguous 0-to-1 environments. Based in Dubai on a residence visa — no sponsorship needed.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC • Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries • Dubai, UAE

- Own day-to-day performance marketing across paid channels (Meta & Google Ads) — audience building, creative A/B testing, budget allocation and weekly performance reporting on ROI, ROAS, CAC and conversion
- Build and run the email/EDM engine end-to-end — onboarding sequences, re-engagement, promotional campaigns and weekly updates — with segmentation and nurturing workflows through marketing automation and CRM
- Built a generative-AI automation stack (Claude) for campaign planning, content, market research and KPI reporting — cutting turnaround ~40% and letting me test and iterate fast across 50+ markets
- Create ongoing content myself — LinkedIn and social copy, product one-pagers, category guides and brand storytelling — and scaled UGC via an influencer programme (25–50 creators per campaign)
- Track and report growth metrics — CAC, conversion, activation, retention and channel-level ROI — reallocating budget to the best-performing channels
- Run partnership and channel outreach across UAE quick-commerce (Noon, Talabat, Careem, Deliveroo) and modern trade — co-marketing with brand principals, promotional mechanics and retail execution
