PROFESSIONAL SUMMARY

Marketing professional with a Business Administration degree from CUNEF (E-Commerce & Fashion specialisation, 9.5/10 thesis) and a genuine passion for building consumer brands, who has spent the last four years in fast-moving FMCG and consumer environments — including a structured trainee programme at Mondelez (global food FMCG). Hands-on across the themes at the heart of NesTalent: brand innovation and NPD, engaging brand experiences, and consumer insights, always working multi-functionally with commercial, creative and trade partners. Curious, quick to learn and Dubai-based on a UAE residence visa — I'd bring that energy and rigour, with open eyes, to a 24-month journey across Nestlé MENA's categories.
