PROFESSIONAL SUMMARY

Brand and marketing manager with 4+ years building integrated, social-first campaigns that grow brand awareness and drive revenue — scoped closely to this role: developing and executing marketing strategies across seasonal campaigns, launches, promotions and events, and owning brand social media across Instagram, Facebook, TikTok and LinkedIn. Currently lead Brand & Marketing for DoFreeze in Dubai, running content calendars and engaging content, planning/optimising Meta and Google paid media plus email/EDM, and reporting on campaign, social and traffic KPIs. Built and scaled an influencer / creator programme from zero to 25–50 creators per campaign — sourcing, briefing, negotiating and managing creators, bloggers and media partners to generate high-quality content, UGC and reach. Genuine Food & Beverage exposure from Glovo, managing marquee restaurant accounts (KFC, Taco Bell, La Tagliatella, Sushi Shop) with bespoke marketing activations. Data-driven and brand-guideline-disciplined, an early adopter of generative AI for content and campaign planning, and already based in Dubai on a residence visa.
