PROFESSIONAL SUMMARY

Influencer and creator marketer with 4+ years driving creator-led growth across Beauty, Fragrance and FMCG — currently in Dubai with a live UAE creator network. I built DoFreeze's influencer programme from zero: end-to-end ownership of creator sourcing, database-building, outreach, rate negotiation, briefing, gifting/seeding, deliverable tracking and reporting, running 25–50 creators per campaign to drive UGC and measurable sell-out. Unusually for this space I'm genuinely commercially minded — a key-account and P&L background (Alibaba's Miravia: +30% GMV QoQ across 42 beauty, fragrance & fashion accounts) means I treat every partnership as an investment with a clear objective, cost, deliverable and measured outcome, and I negotiate hard to protect budget. Fragrance-native (onboarded Arabian Oud, Lattafa, Swiss Arabian & Ajmal as PIC Fragrances), fluent in TikTok/Instagram and social commerce, and data-driven on reach, engagement, cost-per-creator and ROI. Already based in Dubai on a residence visa; bilingual Spanish/English (C1).

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Built and own the influencer & creator programme end-to-end — researching and sourcing relevant creators, building and maintaining an active creator database, and assessing each on audience quality, engagement, content quality, relevance and commercial potential rather than follower count alone
- Run creator outreach and day-to-day communications, negotiate rates and deliverables, coordinate agreements and manage 25–50 creators per campaign — building repeat, long-term relationships with high performers instead of one-off collaborations
- Develop creator recommendations for campaigns and product launches, write creator briefs, prepare campaign budgets and estimated costs, and coordinate product gifting and seeding/PR packages across modern trade and quick-commerce
- Manage creator timelines and deadlines and track every agreed deliverable — following up to ensure content is delivered correctly and on brief — while turning creator content into measurable on-platform sell-out (Shopify, Noon, Talabat, Careem, Deliveroo) and creator commerce
- Track influencer expenditure and calculate cost per creator and cost per content piece; monitor reach, engagement, traffic and sales; and recommend where budget should be increased, reduced or reallocated to protect and stretch the marketing budget
- Report performance with clear recommendations — maintaining the campaign tracker and using an AI (Claude/GPT) reporting system that cuts manual workload ~40% — and plan/optimize paid creator and social campaigns on Meta (Instagram/Facebook) and Google Ads against ROI and ROAS

Key Account Manager – Beauty, Fragrances & Fashion

Nov 2023 – Oct 2025

Miravia / AliExpress (Alibaba Group) · Top 5 global e-commerce marketplace | 100K+ employees · Madrid, Spain

- Led the Fragrances category as PIC — sourcing, negotiating and onboarding 30+ brands in two months, including the official distributors of leading Arabian & oud houses (Arabian Oud, Lattafa, Swiss Arabian, Ajmal) — deep, directly-relevant perfume-category depth

- Created and led the Hot on Social and Beauty Club projects — creator- and content-led destinations that boosted engagement, loyalty and brand visibility and positioned Miravia as a beauty & lifestyle destination
- Managed 42 beauty, fragrance & fashion accounts to +30% GMV growth QoQ through pricing, assortment and targeted, trend-driven promotions — the commercial ownership this role demands (objective, cost, deliverable, measured outcome)
- Continuously analysed ROI, ROAS, conversion, traffic, retention and engagement to evaluate campaign and partner effectiveness, optimise investment and improve forecasting accuracy
- Owned the Flash Sales channel for Beauty, Fashion & Home, reporting directly to the CEO and executing commercial plans aligned with P&L targets
