PROFESSIONAL SUMMARY

Brand and marketing manager with 4+ years leading integrated campaigns end-to-end across FMCG, beauty and e-commerce in 50+ markets — from insight-led brief through creative development to omnichannel activation (social, digital, in-app, influencer and retail). Currently owns Brand & Marketing for DoFreeze in Dubai, delivering campaigns on time, on budget and on-brand while managing creators, designers and external partners. Built an influencer/UGC programme from zero and brand programmes (Beauty Club, Hot on Social) at Miravia (Alibaba Group) that lifted visibility and loyalty. A hands-on project owner and self-starter, already based in Dubai and close to the UAE market and its key cultural moments (Ramadan, Eid, National Days).
