PROFESSIONAL SUMMARY

Brand and marketing manager who owns integrated campaigns end-to-end — from insight-led brief to on-time, on-budget delivery — across paid, social, influencer, CRM/EDM and in-store, and across 50+ GCC/MENA markets including the UAE and Kuwait. Currently lead Brand & Marketing at DoFreeze in Dubai: campaign and project management, creative briefing and agency/creator direction, A&P budget ownership and KPI reporting. Deep hands-on with UAE quick-commerce and delivery — Deliveroo, talabat, Noon and Careem — so I know the platform, the shopper and the local cultural calendar (Ramadan, Eid, National Days) from the inside. Data-driven, AI-native, and already in Dubai on a residence visa.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Own integrated brand campaigns end-to-end across the UAE and 50+ GCC/MENA markets — from insight-led brief through creative, activation and delivery — as project lead setting timelines, aligning contributors and driving accountability so work lands on time, on budget and on brand across every channel (paid, social, influencer, CRM/EDM, in-store)
- Write clear creative briefs and run the feedback-and-approval process with creative teams, agencies and 25–50 influencers per campaign — championing the work while holding it to brand guidelines and the highest creative standard
- Own campaign A&P budgets and delivery timelines, flag risks early, and track KPIs into post-campaign reporting (ROI, ROAS, sell-out) that sharpens the next brief — with an AI (Claude/GPT) system automating that reporting and cutting manual workload ~40%
- Run the UAE quick-commerce and delivery shelf across Deliveroo, talabat, Noon and Careem — assortment, content and promotional mechanics — timing activations to local cultural moments (Ramadan, Eid, National Days)
- Act as the connective tissue across commercial, brand, trade, creative and central/local teams, keeping every contributor clear on priorities and timelines to move campaigns forward
