PROFESSIONAL SUMMARY

Brand and marketing manager with 4+ years across Beauty, Fragrances, Fashion and FMCG, including hands-on experience in the European beauty market. At Alibaba's Miravia (Madrid) I managed 42 key accounts across beauty, fragrances and fashion — growing GMV +30% QoQ and creating the Beauty Club and Hot on Social brand projects — so I know European beauty consumers, trends and buying behaviour first-hand. At DoFreeze I now lead brand and marketing end-to-end: 6 NPD launches (brief, packaging, pricing, go-to-market), a Shopify store I optimise for conversion, an influencer programme I built from zero to 25–50 creators per campaign, and paid media on Meta and Google Ads. I balance brand-building — strategy, identity and tone of voice — with performance: acquisition, retention and ROI. Business Administration graduate (E-Commerce & Fashion specialisation), native Spanish and fluent English, based in Dubai.
