PROFESSIONAL SUMMARY

Commercial marketer with 4+ years running promotions, pricing and value campaigns on quick-commerce, e-commerce and FMCG platforms across the GCC and Europe. At Alibaba's Miravia I owned the Flash Sales channel — the platform's core value/promotions engine — reporting to the CEO and growing 42 accounts +30% GMV QoQ through segment-led promotions and pricing. Today at DoFreeze I plan the promotional calendar across the UAE and 50+ markets on Deliveroo, talabat, Noon and Careem, owning A&P budgets and tracking ROI and margin, with an AI-built reporting system. I live in the data — test-and-learn, Looker/Sheets, conversion and margin analysis — and turn it into clear recommendations for leadership. Already in Dubai on a UAE residence visa; bilingual Spanish/English.
