PROFESSIONAL SUMMARY

Commercial and category management professional with 4+ years across FMCG, quick-commerce, beauty and e-commerce in the GCC and Europe. I started in Category & Commercial Planning at Mondelez (sell-in/sell-out, promotional effectiveness and category reporting), then grew a 42-account portfolio at Alibaba's Miravia to +30% GMV QoQ by optimising assortment, setting pricing and building promotional calendars, and helped build Glovo's Retail vertical — sourcing/onboarding vendors and negotiating the commercial deals behind them. Today at DoFreeze I own range, pricing, SKU nomination, promotional mechanics and vendor-funded activations across the UAE's quick-commerce platforms — Deliveroo, Noon, talabat and Careem. Analytical and negotiation-led, an Excel/Gsheets and Power BI/Tableau power user, already in Dubai on a UAE residence visa; bilingual Spanish/English.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Own category and go-to-market across the UAE's quick-commerce platforms — Deliveroo, Noon, talabat and Careem — managing range/listings, pricing, promotional mechanics and retail execution to drive SKU performance and sell-out
- Lead NPD and range end-to-end for 6 launches (brief, sourcing, packaging, pricing, go-to-market) across GCC, MENA, Asia, Europe, USA and Africa — selecting the right assortment and price for each market
- Manage distributor and supplier relationships across 50+ markets — negotiating terms and joint activations, monitoring performance, and taking corrective action to grow the category
- Nominate SKUs for promotional campaigns and drive vendor-funded media and activations on platform to lift product visibility and conversion
- Track category and channel performance against plan (ROI, ROAS, conversion, sell-out) with an AI (Claude/GPT) reporting system, deep-diving underperformance and executing plans to improve

Key Account Manager – Beauty, Fragrances & Fashion

Nov 2023 – Oct 2025

Miravia / AliExpress (Alibaba Group) · Top 5 global e-commerce marketplace | 100K+ employees · Madrid, Spain

- Optimised assortment and pricing across a 42-account portfolio to +30% GMV QoQ — selecting range, setting pricing and building promotional calendars that grew each category
- Led category expansion as PIC Fragrances, sourcing and onboarding 30+ new vendors in two months — including the official distributors of leading Arabian oud houses (Arabian Oud, Lattafa, Swiss Arabian, Ajmal)
- Owned the Flash Sales channel end-to-end — nominating SKUs and negotiating promotional terms with brands — and reported performance directly to the CEO
- Analysed category and vendor performance continuously (traffic, conversion, retention, ROI) to optimise the range and defend margin

Account Manager – XL Accounts (Retail vertical build-out)

Sep 2022 – Nov 2023

Glovo · Quick-commerce & food-delivery leader | €500M+ revenue | 10K+ employees · Madrid, Spain

- Helped build Glovo's Retail vertical — sourcing and onboarding new brand/vendor partners onto the marketplace and expanding assortment beyond food into apparel, beauty and non-food categories
- Negotiated and closed high-impact commercial deals and contracts, maximising profitability for both Glovo and its partners
- Managed strategic accounts (KFC, Taco Bell, La Tagliatella, Sushi Shop), using performance data to build activations that grew order volume and GMV
- Worked cross-functionally with marketing, logistics/in-stock and operations to keep assortment live and campaigns running in a fast-moving environment

Trainee – Category & Commercial Planning

Aug 2021 – Aug 2022

Mondelez International · Global FMCG | €36B annual revenue | 90K+ employees · Madrid, Spain

- Ran sell-in/sell-out analysis, evaluated promotional effectiveness and built category performance reports for the chocolate category — core category-management analytics
- Identified range and growth opportunities and contributed to NPD launches (Milka Spread, Mini Suchard), turning category data into range decisions
