## PROFESSIONAL SUMMARY

E-commerce operator with 4+ years hands-on in catalogue management, merchandising and assortment across marketplaces, quick-commerce and D2C — Alibaba's Miravia, Glovo and a Shopify storefront owned end-to-end. Builds AI workflows on Claude daily: prompt design, iteration and output QA against source data.

## WORK EXPERIENCE

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                     |
