## PROFESSIONAL SUMMARY

Brand-side marketer with 4+ years across FMCG, beauty and marketplace e-commerce. Plans and optimises full-funnel digital campaigns for a UAE FMCG group (Meta and Google Ads, creators, EDM, Shopify, talabat, Noon, Careem), measured on incremental sales against control groups. Challenges agencies on their numbers. Previously managed 42 beauty brands inside Alibaba's Miravia marketplace.

## WORK EXPERIENCE

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                     |
