Dear Hiring Manager,

Trade marketing in FMCG is the core of what I do every day, so PureBorn's focus on in-store visibility, promotions and category growth across modern and traditional trade is a natural fit. As Brand & Marketing Manager at a Dubai-based FMCG distributor, I'd bring hands-on GCC trade experience to your baby-care portfolio.

I build trade plans by channel, manage distributor execution and run promotions to ROI. At DoFreeze I do this across 50+ markets and lead NPD listings and go-to-market end-to-end. At Mondelez I owned sell-in/sell-out analysis and promotional effectiveness, and at Miravia I grew 42 accounts +30% GMV QoQ through pricing, assortment and promotions.

I bring modern-trade and planogram fundamentals plus distributor-network management, and I'm data-led on trade ROI. I'm already based in Dubai on a UAE residence visa — no relocation or sponsorship needed — and work bilingually in Spanish and English.

I'd welcome the chance to discuss how I can grow PureBorn's categories across trade channels. I'm available to interview at your convenience and can start immediately. Thank you for your consideration.

Best regards,

Paula De Francisco Pérez
