Dear Hiring Manager,

Solutions Leisure Group's portfolio of standout Dubai venues lives on brand, social buzz and memorable activations — the kind of marketing I most enjoy. With four years running campaigns and influencer programmes, I'd be glad to support your marketing team across the group's brands.

Campaigns, social and influencer activations are my day-to-day. At DoFreeze I run omnichannel campaigns and built an influencer programme from zero to 25–50 creators per campaign, and at Alibaba's Miravia I created the Beauty Club and Hot on Social projects to drive engagement and loyalty. I plan promotions and activations and coordinate creative and execution end-to-end.

While my background is in beauty, FMCG and e-commerce rather than hospitality, the brand, social and activation skills transfer directly to lifestyle and F&B marketing. I'm a creative, hands-on operator, Dubai-based on a UAE residence visa, and bilingual in Spanish and English.

I'd welcome the chance to discuss how I can support Solutions Leisure Group's brands and activations. I'm available to interview at your convenience and can start immediately. Thank you for your consideration.

Best regards,

Paula De Francisco Pérez
