PROFESSIONAL SUMMARY

Brand and marketing professional with 4+ years building and launching brands across FMCG, Beauty, Fashion and E-Commerce. I currently own the full marketing function for DoFreeze's brand portfolio in Dubai — strategy, paid media, content, influencer and go-to-market — and I thrive in zero-to-one, founder-led environments where I own the campaign end to end. Track record: 6 product launches taken from concept to market, an influencer programme scaled from zero to 25–50 creators per campaign, +30% GMV growth QoQ across 42 accounts, and AI-powered workflows that turn a brief into a live campaign fast. Already based in Dubai with a UAE residence visa — ready to drive pre-launch activation from day one.

WORK EXPERIENCE

Brand & Marketing Manager

Oct 2025 – Present

DoFreeze LLC · Global FMCG distributor | Brands: Befit, Eurocake, Flair | 50+ countries · Dubai, UAE

- Own the full marketing function for the brand portfolio — brand strategy, content, paid media, influencer and go-to-market — operating with end-to-end creative and commercial ownership across 50+ markets
- Lead go-to-market for 6 product launches end-to-end (brief, positioning, packaging, pricing, pre-launch activation), taking brands from concept to shelf and online across GCC and MENA
- Built and scaled the influencer marketing programme from zero — sourcing, briefing, negotiating and managing 25–50 creators per campaign plus sampling and seeding — driving brand awareness, UGC and community growth
- Plan and optimise paid media on Meta Ads (Facebook & Instagram) and Google Ads — audience building, creative A/B testing, social and EDM — managing ROAS and scaling what works fast on data
- Own the Shopify e-commerce store end-to-end (catalogue, UX, CRO, collections, checkout), lifting conversion rate and average order value through data-led merchandising
- Built an AI-powered marketing system (Claude / generative AI) automating content, campaign planning, market research and KPI reporting — moving from brief to live campaign in a fraction of the time
