Dear Hiring Manager,

I'm excited to apply for your Marketing Manager role. Food & Beverage is where my brand work lives day to day — I currently lead marketing for DoFreeze's food brands (Eurocake, Befit), and earlier I managed flagship F&B accounts including KFC, Taco Bell, La Tagliatella and Sushi Shop at Glovo.

Your brief — own the brand strategy, run Google and Meta Ads, drive customer acquisition and revenue, and support new store openings and launches — maps directly to what I do. I lead 6 NPD launches end-to-end across 50+ markets, own A&P budgets against ROI, and keep brand communication consistent across every channel and international partner.

On top of brand and performance, I bring hands-on UAE quick-commerce experience (Talabat, Careem, Deliveroo, Noon) — directly relevant to multi-unit F&B — plus a commercial, data-driven mindset (+30% GMV QoQ across 42 accounts at Alibaba's Miravia). I'm Dubai-based with a residence visa and available immediately.

I'd welcome the chance to discuss how I can drive brand growth and marketing performance across your F&B operations. I'm available this week for a conversation — thank you for your time and consideration.

Best regards,

Paula De Francisco Pérez
